

# Kubb, Alcatraz

Through the ceiling they really mean it  
she's in Alcatraz  
He dont walk it and she just talks it  
but nothings left unsaid

Chorus  
Bail out I said Bail out  
don't look down  
Bail out  
it's only the ground

Under my floor he's a Warlord  
and she wants out  
'cause when she talks it he distorts it  
and the Highway's in my head

Chorus

and the Highway's in her head

Chorus

Bail out  
Bail out  
Bail out  
Bail out
