

# Kubb, Pregnant Dog

Don't call  
Don't come around  
She said to me  
For I've seen both sides of your soul now  
And it's all I need to see  
So I hide myself away  
To avoid this bitter taste

Chorus  
pregnant dog (repeat)  
You pregnant dog

Don't fall  
I won't be there  
Now that your free  
No matter how hard I try now  
It just wasn't meant to be  
And I won't communicate  
It isn't worth the hate

Chorus (repeat)

Don't call!  
Don't come around!
