

Kula Shaker, Gokula

If you won't set me free
I'll have to ride on my own
If you won't let me be
I'll have to find my way home

Bridge

Well the minutes that are getting faster
Push me closer to the edge

Aah....

Aah....

I'm not a photograph
I've got a mind of my own
If you won't set me free
I'll have to find my way home

Aah....

Aah....

Aah....
