

Kula Shaker, Hey Dude

All I have is all I need
enough for love but not for greed yeah
I was younger once this guy came to me
Told me about all the honey out there
He saie "Honey gold jewels money women
wine cars that shine"
I dont know what he was talking about
But I think I had an idea
He said "Smell the rose, sweet sweet rose,
catch the sun find where it grows,
Smell the rose, the sweet sweet rose
that grows on castle walls in heaven
In heaven yeah"
Well if it feels like summer
you're catching the sun,
and i'm catching the moment you fall
If it tastes like honey
dont swallow it all
dont wait for the moment to come -
and catch the sun
Hey dude, don't lean on me man
Cause I'm losing my direction
and I cant understand
no no
Hey dude, well I do what I can
But you treat me like a woman
when I feel like a man
I was crossing the city one day
everybody was flashing by me
Like images of tombstones,
images of tombstones
On a Friday night
I've seen everybody looking for their little bit of honey
To alleviate the pain
to alleviate the pain
Well if it feels like summer don't burn in the sun
don't wait for the evening fall
If it tastes like honey dont swallow it all
don;t wait for the moment to come - and catch the sun
No, no n no, no n no, etc.
when I feel like a man!
Hey dude etc.
