

# Kula Shaker, Hollow Man

All I have is all I need  
enough for love but not for greed yeah  
I was younger once this guy came to me  
told me about all the honey out there  
He said "honey gold jewels money women wine cars that shine"  
I don't know what he was talking about  
but I think I had an idea.

He said "smell the rose, sweet sweet rose,  
catch the sun find where it grows.

Smell the rose, the sweet sweet rose  
that grows on castle walls in heaven.

In heaven, yeah."

Well if it feels like summer  
you're catching the sun  
and I'm catching the moment you fall.

If it tastes like honey  
don't swallow it all,  
don't wait for the moment to come- and catch the sun.

chorus

Hey dude,  
don't lean on me man  
Cause I'm losing my direction  
and I can't understand, no no

Hey dude,  
well I do what I can  
But you treat me like a woman  
when I feel like a man.

I was crossing the city one day,  
everybody was flashing by me  
Like images of tombstones,  
images of tombstones.

On a Friday night  
I've seen everybody looking for their little bit of honey  
To alleviate the pain,  
to alleviate the pain.

Well if it feels like summer  
you're catching the sun,  
don't wait for the evening to fall,  
If it tastes like honey  
don't swallow it all,  
don't wait for the moment to come- and catch the sun.

chorus

No, no, n no, no, n no, no, n no, no  
Well I can't understand  
and I feel like a man  
sing it to me honey  
- and catch the sun

chorus

Hey dude, no, no, n no  
Hey dude, no, no, n no  
and you treat me like a woman  
when I feel like a man  
Oh yeah
