

# Kula Shaker, Hollow Man (Parts 1 & 2)

I can only speak the word as quickly as quickly as they come  
Looking down upon the bed suspended by a silver thread I'm dreaming

From the feeling I had to be sure  
When you know that you've felt this before  
It's a long road  
Long journey home

Trying to see poetry within the shifting imagery of meaning  
Well if you're feeling hollow man just throw the stone to shatter your reflection... with questions

Well if you're trying as hard as you can  
To see where you fit in this plan  
It's a long road  
Long lonely road

It takes time to find the place you love  
It takes time to find the place you love  
Well if you've got to be sure in that feeling you've got to take time  
It takes time to find the place you love  
It's a long road  
Long journey home
