

Kula Shaker, Smart Dogs

Dancing in you're shadow
I was riding through a different state of mind
No-one can perceive the state I'm in
it's like the living world is blind
It's a feeling like no other
Spending easter with you're mother
darling it's a freaky roller coaster ride
Well if you know the feeling baby peel me of the ceiling baby
Did you know planet earth was blue
turning blue, Don't you try to talk to me
I'm a space man sitting in the sky
I'm a sleeping sweetly honey
let the sleeping pretty smart dogs lie
let 'em fly
Wait until tomorrow
see the summer sun upon the ocean sky
Look at the creator
see the master of magicians fantisise
It's a feeling like no other
Spending easter with you're mother
darling it's a freaky roller coaster ride
Well if you know the feeling baby peel me of the ceiling baby
Did you know planet earth was blue
turning blue, Don't you try to talk to me
I'm a space man sitting in the sky
I'm a sleeping sweetly honey
let the sleeping pretty smart dogs lie
let 'em fly
