

Kula Shaker, Tattva

Oh my love, I wish that we could start all over
I'm so gone, I really want to love you again
Cause I know if it's real, no-one else could understand
Take me back, make me real, make me feel, oh no no (I'm so gone)
Oh my love, I wish that we could start all over
I'm so gone I feel like I'm half way there...
Cause I know if it's real, no-one else could understand
Take me back, make me real, make me feel, oh no no (I'm so gone)
Oh my love, I wish that we could start all over
I'm so gone I really want to love again
I really want to start all over, really want to love again
I really want to start all over, really want to love again
