## Verse 1

i cant believe u had the nerve to say the things u said  
they hurt so bad that they ended our relationship  
i cant believe it ..4 years go down the drain  
oh how i wish things would of happened so differently  
i tryd to save it so many times but you still couldn't see  
u kept insistin and resistin that u would not fall again  
and now u tryin to tell me that ur sorry  
and ur tryin to come back home  
ur tellin me u really need me crying beggin both knees are on the floor  
but baby i

## -Chorus

dont wanna try dont wanna try dont wanna try no more  
u keep insisting when u know our love is out the door  
dont wanna try dont wanna try cuz all we do is fight and say the things  
i hurt u bad to when we both begin to cry  
dont wanna try dont wanna try i bout just had enough its been a rough road  
baby just let it go  
dont wanna try dont wanna try dont wanna try no more  
tell me whats the use of holdin on when all we do is hurt our love

## Verse 2

u and i had many conversations on the telephone  
talks about one day we having a place of our own  
wake up in the morning and have breakfast ready on the table  
but all of that just seems so far away from me  
had to wake up face reality  
it all just seem to good to be true after all you put me through  
and now u tryin to tell me that ur sorry  
and u tryin to come back home  
u tellin me that u really need me crying beggin both knees are on the floor  
but baby i

## -Chorus

dont wanna try dont wanna try dont wanna try no more  
u keep insisting when u know our love is out the door  
dont wanna try dont wanna try cuz all we do is fight and say the things  
i hurt u bad to when we both begin to cry  
dont wanna try dont wanna try i bout just had enough its been a rough road  
baby just let it go
