Kurhaus, Hate Decision

what you call life is never ending dying you fear death but its your redemption you sold yourself to a system based on greed your not my friend í want to sée you bleednow so i decide to hate you your worlds a grave your life means death but i want to live i still believe if you ever believed in life then you have stopped if you ever had dreams seems like you gaveem upnow so i decide to hate you cant take back my hate decision cant take it back, wont take it back your suburban fascism makes me wanna smash your face i feel my head explode why are you so fucking stupid?
