

Kuroshitsuji, I'm Alive

Nothing I say comes out right.
I cant love without a fight.
No one ever knows my name.
When I pray for sun, it rains.
Im so sick of wasting time,
But nothings moving in my mind.
Inspiration cant be found.
I get up and fall, but
Im alive! Im alive! Oh yeah!
Between the good and bad,
Where youll find me, reaching for heaven!
Ill fight, and Ill sleep when I die,
Ill live my life!
Im alive! Im alive! Oh yeah!
Between the good and bad,
Where youll find me, reaching for heaven!
Ill fight, and Ill sleep when I die,
I live my hard life Ill live my life, Im alive!
