

Kurt Carr, Set The Atmosphere

We hope you just open up your mouth and glorify God.
Has he done anything for you?

There's a financial brake through in the room tonight

Who's gonna catch it,Who's Gonna catch it?

My brothers and my sisters

Did you hear me, my brothers and my sisters

We're not standing here tonight to entertain you

But we come to remind you (4 times)

When praises go up (4 times)
