## Kurt Nilsen, When the stars go blue

| [Venke Knutson] |  |  | Nilsen]Dancin' |
|-----------------|--|--|----------------|
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
|                 |  |  |                |
