

Kurtis Mantronik, How Did You Know

im in a spin
im caving in
im living in a daydream
when i saw u
ur smile shown thru
and touched me like a sun beam
im inside out
im crazy about
the way u make my heart feel
im head over heels
im fallin more each day

how did you know?
been waitin 2 touch u
and tell u how i feel
im walking on clouds
im spellbound about you
i cant believe ur real

how did you know?
been thinking about you
and dreaming of your kiss

how did you know?
how did you know?
