This is the game you wanna spit to a nigga

Let a nigga know it's all right, cascades

And G'z stompin' on niggas like parades

Escapades and charades played

When the stampede stopped

And it continuously Young Gotti

Seen so many bodies

Drop fours hop classics and drastic measures

Principle's a pleasure and penal endeavours

Whatever the case, whatever case, it's caught on a chase

When a chase, it began in the facial of race

Me and Fred, he make beats, I make rhymes

And Snoop, he controls and calculates

In pervious moves, the Pound Pentagon

Wit a pistols, I holla where the gangstas' at

Daz poppin' his collar, nigga sweet and sour

Pop Chucks and collers, rollin' through the streets in my '84 Impala

[Snoop Dogg]

And stick up Eddie for his fedy and bring it all back to daddy

I want bread, cheese now put it on the patty

Knick Knack style, kick back and flip files

In the verge, on now listen now honey child

Bow Wow, do ya now, how ya like it doggystyle?

Smile and grinnin', sippin' on some gin'n
