Let's do it doggs, ring ding dong  
Bitch (aha, aha), bitch (yeah what what what what?)  
Beeitch (set up, set up, set up), beeitch (it's a set up)  
What they're doing? they're trying to...  
They're trying to set me up, they're trying to set me up  
They wanna set me up, they wanna set me up  
They're trying to set me up, they're trying to set me up  
They're trying to set me up, but check it out  
This is it, call it how you wanna call it  
Brawling, call in the headhunter, start headhunting  
How do you want it? i said we could spread arms  
Bust and stare, you wanna snatch a life, is that right?  
Wanna-get-rich ass nigga, snitch ass nigga  
Fake switch bitch ass nigga, up-in-to-get-lynched ass nigga  
Ain't nothing to it, raw doggs doing the lynching, master assassins  
Henchmen, the whole world's against me (fuck 'em)  
It's a million to one, kurupt with one gun  
And a whole backyard of ammo  
Dump these lumps in nigga's backs like a camel  
Get torn and worn just like sandals, now his willy came to an end  
You see that nigga he ride with, do him in  
This nigga's so sweet, he got my girl to set me  
Got her with the tech to tack me and disconnect me  
There's no (??) when you're playing russian roulette  
They're trying to catch me, lay me down and sketch me  
Young gotti, (??)  
Bringing the whole fucking entourage of murderous minds  
I don't know who rides with a mental dome, who will and who won't  
Trust me, they all wanna bust me, it's a set up  
[Chorus:]  
I don't give a fuck who you bring to the table  
And i don't give a fuck who you got with you  
You played me, you're kane and i'm abel  
Now the ammo drops, watch 'fore the glock hits you (it's a set up)  
Don't you know? you fuck around with death sentinel  
If you didn't learn you'd better start learning (it's a set up nigga)  
Aiming, bust and hit your left and you're cold  
That's how motherfuckers get murdered  
Hit the (??), fuck a sun roof, this car is dirty  
Dirty dirty buster, dirty motherfuckers  
Holler at the big homie slop (what up slop? what's up y'all?)  
Hit me on the hip, hit it quick on the dick  
Get this rap slapped in the clip  
You see this black nigga, you'd better duck him  
Thorough, in every neighborhood and borough, like motherfuck 'em  
Yeah you know me, oh you wanna show me a thang or two  
How y'all do, nigga show me, creep through slowly  
Friction, i can feel it all around me, my intuition  
La gangbang mentality got me on a violent spree, violently  
Busting, dusting niggaz off silently  
I ain't even trying to be what i can be or could handle  
But niggaz trying to make me an example  
Go over to the west (to the west), niggaz wanna feud  
Go back to the east (to the east), niggaz wanna feud  
I'm 'bout to go to the north and south to see, what,  
Are y'all niggaz on that same fucking bullshit, cuz? (i don't know)  
[Chorus]  
It's a set up motherfucker, what, it's a set up  
I'm tired of these bitch ass niggaz, it's a set up nigga  
Can't help it, hoes come through  
Me set, i know 'em, they're out to set me  
They wanna get me, get the homies  
The rainstorm's coming and every motherfucker's trying to wet me  
Yo it's unforgettable, no you can't touch me

Clutch me like a mic, and do just what you like?  
Hell no nigga, even though you dislike me  
You wanna be just like me, niggaz they despise me  
See all the homies, i make loot like spike lee  
Dozens, rolling through with me, my homies and my cousins  
I give a fuck nigga, i could stay busting  
And still rock it right, and hit the spotlight  
Shine bright, these fake ass niggaz, snake ass niggaz  
Earthquake ass niggaz, i shake these niggaz  
Shake ass niggaz, thinking you can come through all the time  
Wanna fuck with krupt, i just sit, prepare the rhyme  
Now i'm all about the cash nigga  
Thinking you could come through  
You got your heater cocking on busts you just flashed nigga  
[Chorus (2x)]
