

# Kut U Up, Stupidly Clear

it's stupidly clear  
and thankfully real  
it's not that hypothetical talk always ending up in tears

so can i get the hypothetical?  
oh yeah

if thats inside a mans heart it will follow him to the grave

is that what you wanna hear  
it's not what i'm gonna say  
it's just a bunch of fabricated lies anyway

so can i get the fabrication?  
oh yeah
