

# Kutless, All Of The Words

How do I speak of the indescribable to You  
I will try to explain these feelings that are true  
So looking to the sky I will sing and from my heart to You I bring  
All of the words in all of my life that could never explain and never describe  
All of my love, which is nothing to hide so I lift up my hands and I worship  
I worship You  
In your presence I forever choose to live  
I will praise You for it's all I have to give  
So looking to the sky I will sing and from my heart to You I bring  
All of the words in all of my life that could never explain and never describe  
All of my love, which is nothing to hide so I lift up my hands and I worship  
By Your grace You let me come talk to You  
It's not that I'm worthy I thank you Jesus  
For the love that You have shown  
All of the words in all of my life that could never explain and never describe  
All of my love, which is nothing to hide so I lift up my hands and I worship  
With all of the words in all of my life that could never explain and never describe  
All of my love, which is nothing to hide so I lift up my hands and I worship  
I worship You
