## Kutless, All These Words

How do I speak of the indescribable to You? I will try to explain these feelings that are trure So looking to the sky I will sing and from my heart to You I bring

All of the words in all of my life That could never explain and never descrbie All of my love, which is noting to hide So I lift up my hands and I worship, I worship You

In Your presence I forever choose to live I will praise You for it's all I have to give So looking to the sky I will sing and from my heart to You I bring

By your grace you let me come talk to You It's not that I'm worthy, I thank you Jesus For the love that You've shown

With all of the words in all of my life That could never explain and never describe All of my love, which is nothing to hide So I lift up my hands and I worship, I worship You
