

Kutless, Grace And Love

Many things in life are hard for me
Many things can pull us down
I don't understand why I do what I do
How could I take my eyes off you
After all You've done for me
And after all You've done for me
It's by Your grace and love I am saved
It's by Your grace and love You've forgiven me, hey
And by that love and grace, I'm amazed
It's by Your grace and love I am free
I am free
And it's by grace and love that I am free
I'll live with you eternally
I thank you Lord that I am free
I thank you Lord for loving me
I thank you Lord for dying upon the tree of Calvary
I thank you Lord for loving me
I thank you Lord for dying for me
Because it's by grace and love I am saved
It's by Your grace and love You've forgiven me, hey
And by that love and grace, I'm amazed
It's by Your grace and love I am free
I am free
Many things in life are hard for me
Byt my grace and love You've forgiven me
And by grace and love we are free
