

Kutless, Overcoming Me

Some say it's crazy
That you'd stay here by my side
I don't want to spend a day
Without you in my life
Maybe I'm a dreamer
And it seems that I'm lost within my mind
Searching for the moment dreams and destiny collide
I just need you to love me

I can't stop you from overcoming me
It's brought me to my knees
I don't want you letting go of me
I'm standing in the pouring rain
I can't believe you'd do the same
I can't stop you from overcoming me

I am not deserving
Of the way you see me in your eyes
You take me for who I am
I guess I wonder why
Maybe reassuring
Is all I can do in the meantime
And none of this can change the fact that lately
I've needed you around
I just need you to love me

I can't stop you from overcoming me
It's brought me to my knees
I don't want you letting go of me
I'm standing in the pouring rain
I can't believe you'd do the same
I can't stop you from overcoming me

I can't stop you from overcoming me
It's brought me to my knees
I don't want you letting go of me
I'm standing in the pouring rain
I can't believe you'd do the same
I can't stop you from overcoming me
