Kutmasta Kurt, In The End (Remix)

It starts with (one)

And multiplies 'till you can taste the sun
And burn by the sky you try to take it from
But if it falls there's no place to run
Crumbling down (it's so unreal)
They're dealing you in to determine your end
And sending you back again to places you've been
And bending your will 'till it breaks you within
And still they (fill their eyes)

With the twilight, through the sky light, and the highlights
On a frame of steel
See the brightness of your likeness as I write this
On a pad (with the way I feel)
Hear the screaming, am I dreaming, as it seeming
That you've played your part
Like you're heartless, take apart this, in the darkness
But I know that I've (tried so hard)

And got so far, but in the end, it doesn't even matter
I had to fall to lose it all
But in the end, it doesn't even matter

I look down the line
And what's there is not what ought to be
Held back by the battles they fought for me
Calling me to be part of their property
And now I see that I get no chance, I get no break

Fakes and stakes quickly lead to mistakes
And as the tight rope within slowly starts to thin
I can only hope that they (close their eyes)

To the twilight, through the sky light, and the highlights
On a frame of steel
See the brightness of your likeness as I write this
On a pad (to the way I feel)
Hear the screaming, am I dreaming, as it seeming
That you've played your part
Like you're heartless, take apart this, in the darkness
But I know that I've (tried so hard)

And got so far, but in the end, it doesn't even matter
I had to fall to lose it all
But in the end, it doesn't even matter

I've put my trust in you, pushed as far as I can go
For all this, there's only one thing you should know
I've put my trust in you, pushed as far as I can go
For all this, there's only one thing you should know
I've put my trust in you, pushed as far as I can go
For all this, there's only one thing you should know

I've tried so hard
And got so far, but in the end, it doesn't even matter
I had to fall to lose it all
But in the end, it doesn't even matter
