

# Kwan, Shine

I can feel what you have inside  
But you lie to yourself  
Look in to my eyes  
'cause you have it all  
You know it too  
So why don't you do something about baby don't deny  
Would you even try  
Break the wall to face it all  
What can I do for you to believe me

Chorus:

I can see the shine  
I can see the shine in you  
I can see it in your eyes  
So why don't you do something  
I can see the shine  
I can see the shine in you  
I can see it in your eyes  
So why don't you do something.  
You won't lose it baby don't be afraid  
There will be a day when it's too late  
You say that you don't believe in love  
Love is already in you  
Don't wait too long there will be no sign  
'cause deep inside of your mind you want to  
Am I wrong, I don't think  
So tell me what can I do for you to believe me

Chorus

What does your heart say  
What do you fear  
Why do you always push it away?  
Why these unnecessary tears?  
I can see the shine but you're only wasting time  
Putting yourself always in question  
Denying liberation of your mind  
You kinda know you have talent  
You kinda know how to exploit it  
But you do nothing  
Do yourself a favor don't avoid it  
Do something do something  
About it do something  
Do do something  
Chorus
