

Kwan, Tainted Love

As attainable as where the ring of smoke
where the finger be swirling a all on it's own.
There's no point in trying, in calling you back
but taking control of the following act
I've been sensing a tension in your delay
hesitation in drawing the velvet drop
here's no way of unravelling the plot
without taking the slide in the rabbit hole with me

Are you ready to play the game
Ready to lose it all
Sure you want to play

It's tainted love
Ready to play the game
Ready to lose it all
Sure you want to play
It's tainted love
Ready to play the game
Ready to lose it all
Are you sure you want to play

Should you give me a moment and let me think
I will come up with something you can't resist
demonstrating myself in a certain way
with the lighting so subtle and perfectly dim
A suggestion of mine which you will not take
is to pack your belongings and steal away
for the play is in progress and what's to come
may not be your thought of marvelous fun
at all

Are you ready to play the game
Ready to lose it all
Sure you want to play

It's tainted love
Ready to play the game
Ready to lose it all
Sure you want to play
It's tainted love
Ready to play the game
Ready to lose it all
Are you sure you want to play

Take this moment, don't reason it through
Leave all caution, fall for my need
Let me see

Are you ready to play the game
Ready to lose it all
Sure you want to play

It's tainted love
Ready to play the game
Ready to lose it all
Sure you want to play
It's tainted love
Ready to play the game
Ready to lose it all
Are you sure you want to play
