

# Kwiet Storm, Seasons Change

Was goin on girl... I'm still wonderin where u been at. U havent left, never change like the seasons.

[Verse 1:]

Thought of explanation said u needed lil bit of time and space to collect your thoughts together cau

[Chorus:]

I'm so in love with you(So in love)

The skys no longer blue, I'm checkin out the forecast tell her where the storm lasts. That's why I'm

In my wondow. Searchin where the wind blows. Left me stranded in the cold waitin for the seasons

[Verse 2:]

Runnin thru my head I'm missin you, I hear your voice girl all the time. And I don't know what I'm go

[Chorus:]

I'm so in love with you(said I'm so in love)

The skys no longer blue(no longer blue)

I'm checkin out the forecast, tell her where the storm lasts, until then I'll still be in love.

Lookin out my window(lookin out my wondow)

Searchin where the wind blows

Left me stranded in the cold, waiting for the seasons to change. Tell me where the hell you'd go, an

Your the only one for me no ones gonna love me like you so I'm waitin for the seasons to change.

[x2:]

Said I'm waitin oooohhhh

From January to Febuary all the way to December change. Waitin for you baby, said I'm waitin for y

[Chorus:]

Lookin out my window(lookin out my wondow)

Searchin where the wind blows

Left me stranded in the cold(stranded), waiting for the seasons to change. Tell me where the hell y

Your the only one for me no ones gonna love me like you so I'm waitin for the seasons to change.

[x2:]

Waitin for the season to change.
