

# Kyau & Albert, Another Time

Now I'm lost  
And I try  
But my whole life seems to fail  
I don't know the way  
Don't know how to feel  
Don't know how to sleep tonight

Now I'm lost  
And I fear  
Of all the nights to come  
Cuts like a knife  
Don't know how to feel  
Don't know how to sleep tonight

Chorus:  
If there's a place where love has gone  
Help me to find a way!!  
Hold me a little more  
Just take me out of here  
We'll try it another time...

So, never mind I still love you babe  
If you can feel me now  
Hold me a little more  
Won't try to make you stay  
We'll try it another time...

Try it another time  
Try it another time  
Try it another time

If there's a place where love has gone  
Help me to find a way!!  
Hold me a little more  
Just take me out of here  
We'll try it another time...

So, never mind I still love you babe  
If you can feel me now  
Hold me a little more  
Won't try to make you stay  
We'll try it another time...

If there's a place where love has gone  
Help me to find a way!!  
Hold me a little more  
Just take me out of here  
We'll try it another time...
