

Kygo, Carry Me (ft. Julia Michaels)

Like a kid and a teddy bear
Like a leaf blowing in the air
Could you carry me? /2x
Like a flag after a war
When you're gone and when you give a first born
Could you carry me /2x
Cause I don't know how we
How we got so far you and me
Almost like there's a sense between us, us

So I need to know could you carry me
Back into your heart again
Could you carry me?
Right into your distant hands
Could you carry me?
Right back where we started from
Could you carry me?
On and on and on on on /10x

Could you carry me back to where we started from?
