

Kyla, Bounce

Seven in the evening grabbed the phone and started calling
all my friends coz its saturday night
i got this funky feelin' before i start on leavin' that tonight i'll meet the man of my life

pre chorus:

give me time so i can think about
all those days that we have to go away
if you feel a little insecure
come with me baby i will be your cure

chorus 2x:

Bounce come turn it up
Bounce to the music
come shake it up
Bounce until you drop
ain't nobody gonna stop me

i got this party movin'
everybody start on groovin'
i feel the sound coz i know your around
you can scream if you want to
jump around if it makes you
feel alright while you dance through the night

repeat pre chorus
