

# Kyla, Bring It On

Saying goodbye  
Is never an easy thing  
But you never said  
That you'd stay forever  
So if you must go  
Darling I'll set you free  
But I know in time  
That we'll be together  
Ohhh  
I wont try to stop you now from leaving  
Cuz in my heart I know  
Love will lead you back  
Someday I just know that  
Love will lead you back to my arms  
Where you belong  
Sure  
Sure as stars are shining  
One day you will find me again  
It wont be long  
One of these days  
Our love will lead you back

One of these nights  
We'll I'll hear your voice again  
Your gonna say  
How much u miss me  
You'll walk out this door  
But someday you'll walk back in  
Darling I know I know this will be  
Sometimes it takes  
To find ur way back  
Love will lead back  
Someday I just no that  
Love will lead u back to my arms where u belong  
Sure  
Sure as stars are shining  
One day u will find me again  
It wont be long  
One of these days our love will lead you back

But I wont try to stop u now from leaving  
Coz in my heart I know  
Love will lead u back  
Someday I no that  
Love will lead u back to my arms  
Where u belong  
Sure  
Sure as starts are shining  
One day u will find me again  
It wont be long  
One of these days our  
Love will lead u back

Repeat chorus
