

Kyla, Til I Got You

Eversince He Went Away
Thinkin' He'll Come Back And Stay
Everyday There Seems No Fun
Ain't Got No Time To Make It Right

Love Was Never Been So Close
Can't Face The Truth And Reality
Nobody Who Could Save Me From The Rain
Yes It Is

[Ref:]

'til The Sun Comes Up When You Pass Me By
You Smiled At Me And Then I Stop To Cry
My Frozen Heart Is So Alive, Everytime You Hold My Hand
I Feel The Love Glows In My Heart
You Opened Up My Eyes

[Chorus:]

'til I Got You
'til I Got You
'til I Got You
'til I Got You

I Cherish Everytime We Kiss
Makin' Love Until We Sleep
How I Wish The Night Would Never End

We Never Miss To Say Hello
Haven't Heard Sometime Ago
You're The Sweetest Thing That I Will Keep, Forever More

[Ref]

[Chorus: To Fade]

crbt2('Kyla','Til I Got You')
