

Kyle Gordon, Planet of the Bass (feat. DJ Crazy Times)

When the pleasure is a dream
On a secret love
And the people wanna make a fun
We are losing control on a floor tonight
Take your heart into a unicorn

If the sky is not green
But The sky is a blue
Have a passion in a million way
Touch it make it twice before I cry
Heaven is a time today

Na na na na na na na na na na

All of the dream
How does it mean
When the rhythm is glad
There is nothing to be sad

Danger and dance
Clapping the hands
When we Out in the space
On the Planet of the bass

Life, it never die
Women are my favorite guys
Sex, I'm wanting more
Tell the world, stop the war

Boom
Hear the bass go zoom
Have a body feel the groove
Cyber system overload
Everybody Movement.

All of the dream
How does it mean
When the rhythm is glad
There is nothing to be sad

Danger and dance
Clapping the hands
When we Out in the space
On the Planet of the bass
