

Kyle Riabko, Half As Much

There's no better man for you
And you'd understand it to
If you loved me
Half as much as I love you

The beautiful smile on your face
Would never fade away
If you loved me
Half as much as I love you

Well, the sun it would be shining
Cause the rain would do the crying
There'd be nothing to worry your precious mind
The lions would be tame
And the birds would sing your name
And it wouldn't be hard to understand why

You would be walking so proud
Find yourself laughing out loud
If you loved me
Half as much as I love you

Well, the angels up above
Would be jealous of your love
They'd be watching with envy
As you walk by
The lions would be tame
And the birds would sing your name
And it wouldn't be hard to understand why

You would be warm at night
forever by my side
If you loved me
