

# Kyle Riabko, Half As Much

There's no better man for you  
And you'd understand it to  
If you loved me  
Half as much as I love you

The beautiful smile on your face  
Would never fade away  
If you loved me  
Half as much as I love you

Well, the sun it would be shining  
Cause the rain would do the crying  
There'd be nothing to worry your precious mind  
The lions would be tame  
And the birds would sing your name  
And it wouldn't be hard to understand why

You would be walking so proud  
Find yourself laughing out loud  
If you loved me  
Half as much as I love you

Well, the angels up above  
Would be jealous of your love  
They'd be watching with envy  
As you walk by  
The lions would be tame  
And the birds would sing your name  
And it wouldn't be hard to understand why

You would be warm at night  
forever by my side  
If you loved me
