

# Kylie Minogue, 2 Hearts

You make me invisible  
Like sky you make my day  
I feel so wonderful  
Oh oh-oh don't let go

I'm seeing the dark of you  
It feels like I never saw the sun  
Should I shout for a rescue  
Oh oh-oh don't let go  
Oh oh-oh don't let go

Two hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever  
I'm in love, I'm in love

Two hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever  
I'm in love, I'm in love

Looks good in sunshine  
Hold on because im coming on up for it  
I can't even see up here  
Oh oh-oh don't let go  
Oh oh-oh don't let go

Two hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever  
I'm in love, I'm in love

Two hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever  
I'm in love, I'm in love

I'm in love, I'm in love  
Is this forever and ever  
I'm in love, I'm in love  
Two hearts...
