

Kylie Minogue, All I Wanna Do Is Make You Mine

[Jason:]

You have got to believe me
I would never deceive you
I would never let you go
Don't talk about leavin'
Leavin' me here

You were never at home
When I called you on the phone, and
I'm taken for a fool
Don't talk about romance
Talk about last dance

[Both:]

Don't talk about love
Like it is a fashion
Love without true passion
Are we really still in love
And all I wanna do
Is make you mine, mine, mine

[Both:]

[Chorus:]

All I really wanna do
Is make you so, so happy
All I really wanna do
Is make you smile
We can't go talking
This over and over
And all I wanna do
Is make you mine

[Both:]

Don't let's take it for granted
You still wanna be wanted
All we ever do is fight
Talk about leavin'
Each other behind

[Both:]

Don't talk about love
Like it has not meaning
Love without true feeling
Are we really so alone
'Cause all I wanna do
Is make you mine, mine, mine

[Chorus 2x]

[Both:]

Don't talk about love
Like it is a fashion
Love without true passion
Are we really still in love
And all I wanna do
Is make you mine, mine, mine

[Chorus]

Mine mine

[Chorus]

[Repeat and fade]
