

# Kylie Minogue, Dance Floor Darling

Where you running  
Come and feel my loving  
Want you in the worst way  
It ain't even your birthday  
Back to midnight  
Promise you a good time  
Be those party people  
We bumping at the disco

Would you be  
Would you be  
Would you be  
My dance floor darling?  
(No)

You and me  
You and me  
You and me  
Let's dance till morning

And wake up feeling no regrets  
Gonna make sure that your body won't forget  
Coz the night ain't even over yet  
Gonna take you where the music never ends  
My dance floor darling

Rock 'n rolla  
Bring your body closer  
Shake it on the floor now  
Like Studio '54 now  
Why you waiting  
It's not complicated  
Move it left to right  
We're doing the electric slide

Would you be  
Would you be  
Would you be  
My dance floor darling?  
(I wanna know)

You and me (me)  
You and me (me)  
You and me (me)  
Let's dance till morning

And wake up feeling no regrets  
Gonna make sure that your body won't forget  
Coz the night ain't even over yet  
Gonna take you where the music never ends  
My dance floor darling

Oh, I, oh, I  
My dance floor darling  
Oh, I, oh, I  
My dance floor darling

So what you waiting for?  
Get up on the floor (yeah)  
Say what you waiting for  
Get up on the floor (yeah)  
1-2-3-4 (no regrets)

(You're my dance floor darling)

Baby, gonna make you feel alright  
(Gonna make you dance, gonna make you dance)  
(Coz I love the way you rock your body right)  
Coz you're my dance floor darling, darling  
(Yes, Kylie baby, baby, baby, come on, Kylie baby)  
(To the break of dawn, Kylie baby)
