## Kylie Minogue, I Believe In You

I don't believe you know me Though you know my name, I don't believe the faults I have Are only mine to blame, I don't believe that magic Is only in the mind I don't believe I'd love somebody Just to pass the time

But I believe in you And I believe in you

I don't believe that beauty Will ever be replaced, I don't believe a masterpiece Could ever match your face, The joker's always smiling In every hand that's dealt, I don't believe that when you die Your presence isn't felt

But I believe in you And I believe in you But I believe in you And I believe in you

And if you ever had to go away Nothing in my world could ever be the same Nothing lasts for ever, but together til the end I'll give you everything I have again and again

'Cause I believe In you, I believe In, I Believe in you, I Believe in, I Believe in you, I believe in, I believe in you, I Believe in.

'Cause I believe in you And I believe in you But I believe in you And I believe in you

I believe in you, I Believe in I believe in you, I Believe in I believe in you, I Believe in I believe in you, I Believe in

I believe, I believe, I believe in you....
