

# Kylie Minogue, In Denial (Ft. Pet Shop Boys)

In denial  
No, my life's a trial  
I'm not denying that every little bit hurts  
It's a problem that I'm not solving  
Don't mind admitting I feel like quitting  
This job for a while  
Getting away before it gets any worse today

You're in denial, and that is final  
Your not admitting you should be quitting  
All these queens and fairies and muscle marys  
The rough trade boyfriend  
Who in his pathetic own way denies he gay  
Why can't he see this is a fantasy?

I think I'm going mad  
How'd you know if your going mad?

Look at me I'm lonely

Look at me I'm sad  
I'm not denying I could be trying  
A little harder to deal with some of this stuff

Know what I'm thinking?  
Less drugs and drinking  
No cigarettes and you'll feel a little less worth

Is that enough?  
My life is absurd  
I'm living it upside down  
Like a vampire working at night  
Sleeping all day  
A dad with a girl who knows he's gay

Can you love me anyway?
