

Kylie Minogue, Love At First Sight (Part 2)

Thought that I was going crazy
Just having one of those days yeah
Didn't know what to do
Then there was you

And everything went from wrong to right
And the stars came out and filled up the sky
The music yoy were playing really blew my mind
It was love at first sight

'Cause baby when I heard you
For the first time I knew
We were meant to be as one

Was tired of running out of luck
Thinking 'bout giving up yeah
Didn't know what to do

Then there was you

And everything went from wrong to right
And the stars came out and filled up the sky
The music yoy were playing really blew my mind
It was love at first sight

'Cause baby when I heard you
For the first time
I knew we were meant to be as one

And everything went from wrong to right
And the stars came out and filled up the sky
The music yoy were playing really blew my mind
It was love at first sight
