Kylie Minogue, Love At First Sight (Part 2)

Thought that I was going crazy
Just having one of those days yeah
Didn't know what to do
Then there was you

And everything went from wrong to right And the stars came out and filled up the sky The music yoy were playing really blew my mind It was love at first sight

'Cause baby when I heard you For the first time I knew We were meant to be as one

Was tired of running out of luck Thinking 'bout giving up yeah Didn't know what to do

Then there was you

And everything went from wrong to right And the stars came out and filled up the sky The music yoy were playing really blew my mind It was love at first sight

'Cause baby when I heard you For the first time I knew we were meant to be as one

And everything went from wrong to right And the stars came out and filled up the sky The music yoy were playing really blew my mind It was love at first sight
