

# Kylie Minogue, Miss a Thing

Dance

Get that body up on the catwalk  
Can't sleep through your life like a lap dog  
Let's show the world what we got  
Don't wanna take it slow  
I wanna be your girl  
So get that body up on the dance floor  
Drive me wild oh just make me want more  
With you I can't get enough  
Don't wanna take it slow  
I wanna lose control

Run away run away run away  
with me tonight  
Come dance for me I'll fall at your feet  
Coz I don't wanna fight what feels right  
Baby I baby I just don't wanna miss a thing  
Don't wanna miss a thing  
Come along come along come along and don't ask why  
Oh can you fall for me  
Kiss me hard baby  
Coz I don't wanna fight what's inside  
Baby I baby I just don't wanna miss a  
thing  
Don't wanna miss a thing

Take the world away from my shoulder  
Hold me tight the nights they get colder  
All of my secrets are out  
Tell me you won't think twice  
Already rolled the dice  
Take that chance and follow your  
heartbeat  
Dance dance dance like no-one is  
watching  
Deepest emotions run wild  
Don't wanna live a lie  
I want you and I

Get up get up  
Tell me you feel it  
Get up get up  
Baby I need it  
Get up get up I  
Get up get up I

I don't wanna miss a thing  
I don't wanna miss a thing
