

# Kylie Minogue, My Oh My (with Bebe Rexha & Tove Lo)

(Kylie)

Yesterday was just a day  
I didn't know my life was gonna change  
Yesterday, light years away  
You came in here now nothing is the same

□

When you asked  
What's your name?  
What's your sign?  
I'm Kylie, it's Gemini  
What's your drink? Let me buy  
You had me when you said hi  
Hi

□

La la la la  
I'm like oh my oh my  
La la la la  
You keep me up at night  
La la la la  
I'm feeling fireflies  
La la la la la  
Oh my oh my  
Oh my oh my  
Oh my oh my

□

(Bebe)

Rush of hands, lingering looks  
My name in your mouth, that was all it took  
Now, yesterday's light years away  
You came in here now there's no going back

□

When you asked  
What's your name? Let me know  
I'm Bebe, I'm a Virgo  
What's your drink? Let me buy  
You had me when you said hi  
Hi

□

La la la la  
I'm like oh my oh my

Always love a dark room  
With somebody to talk to  
But never ever met someone like you  
Hey, hello  
I am Tove  
Tove Lo  
I'm a, I'm a Scorpio  
Yeah, the sexy jealous kind  
You had me when you said hi  
Hi
