

# Kylie Minogue, Say Hey

It's getting late  
You might be sleeping  
I couldn't wait  
I'm caught up with feeling this way  
Don't want to disturb you  
But I must just to say hey

I'm missing you  
I wish you were with me  
The water's warm  
It's making me in the mood to play  
So good to disturb you  
If you please, I need to say, hey

I'm missing you  
I wish you were with me
