

Kylie Minogue, Say Something

We're a million miles apart
In a thousand ways
Baby, you could light up the dark
Like a solar scape
And i can almost feel you coming
And your heartbeat race
So i want somebody
Something
In the joys we make

I think about you
I can't help thinking about ya
I am always thinking about ya
Say something /2x
Tell em how you're feeling

We all got wanderlust
In the darkest place
So we're going with our heart
It's all ythe rage
We're just , just tryna find ourselves
In the storms we chase
Baby, in and out of summer
We could find our way

I think about you
I can't help thinking about ya
I am always thinking about ya
Say something /2x
Tell em how you're feeling

ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
(Say Something)

Cause love is love, it never ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
Cause love is love, it never ends
Can we all be as one again?
