

# Kylie Minogue, Two Hearts

you make me invisible  
like sky  
and make my day  
i feel so wonderful  
oh oh oh don't let go

i'd sit in the dark with you  
it feels like ive never saw the sun  
should i shout for rescue  
oh oh oh don't let go  
oh oh oh don't let go

two hearts are beating together  
im in love (woooo)  
im in love (woooo)  
is this forever and ever?
