

# Kyuss, Demon Cleaner

I've got the demons in me  
I've got to brush them all away  
I feel the demons rage  
I must clean them all away, yeah

It's sad to see more rage  
Cobwebs in the way  
That magic cleaner will  
Shine his smile on my face, yeah

I am the demon  
Cleaner who saves the day  
I got the back wall  
Important they'll always stay, yeah

If only one thing that you know  
Imposters from the show  
They'll try to trick you into  
Normal treatment, yeah  
Oh, don't you listen to them say  
Shush them all away

I am the demon cleaner  
Madman in Encino  
I am the freedom bleeding  
Standing naked here to say

I'm the only way  
I'm the only way  
I'm the only way  
I'm the only way
