

Kyuss, Freedom Run

Freedom run...
Free to run...
Freedom run...
Free to run...

No break through, I'll steal for you
I need ya, and there's nothin' you can do, yeah

Walked million miles of desert sun
To grasp the chance that I'll be gone
Be one with you, yeah
Freedom run (3x)

Well I'll break through
Will I steal for you?
Well I need ya, and there's nothin' you can do, yeah

No fun could last, well I hope you last
You're in my grasp, well no cure, yeah
Freedom run (4x)
