## Kyuss, Freedom Run

Freedom run... Free to run... Freedom run... Free to run...

No break through, I'll steal for you I need ya, and there's nothin' you can do, yeah

Walked million miles of desert sun To grasp the chance that I'll be gone Be one with you, yeah Freedom run (3x)

Well I'll break through
Will I steal for you?
Well I need ya, and there's nothin' you can do, yeah

No fun could last, well I hope you last You're in my grasp, well no cure, yeah Freedom run (4x)
