

# Kyuss, Happy Birthday

Happy, happy birthday  
Two years dead today  
You can't keep me running  
You can't keep me from hiding from you  
Don't mess around with me  
I'm down to the wire  
And I'm burning  
I'm burning higher and higher and higher  
I keep on running  
I never seem to get away from you  
I can't escape the memories  
That haunt me every day and night  
Just you leave me alone  
I'm down to the wire  
And I am burning  
Higher and higher and higher
