

Kyuss, If Only Everything

If it gets you down
Well then I want it
If it gets you up, well
I don't want it
Lets you down
So broken hearted
If it gets you down
Well then I want it
If only we're nothing at all
So blow my mind
It's just so crazy
Those long, long days
Just make it eighty
So roll the wheel
And there it goes
And where it stops
You never know
If it gets you down
Then just don't blame me
If only we're nothing at all
